 13           or who has properly filed for and is entitled to a credit under  
 14           IC 6-1.1-20.9, and who, without taking the credit, pays in full the taxes  
 15           to which the credit applies, is entitled to a refund, without interest, of  
 16           an amount equal to the amount of the credit. However, if the taxpayer,  
 17           at the time a refund is claimed, owes any other taxes, interest, or  
 18           penalties payable to the county treasurer to whom the taxes subject to  
 19           the credit were paid, then the credit shall be first applied in full or  
 20           partial payment of the other taxes, interest, and penalties and the  
 21           balance, if any, remaining after that application is available as a refund  
 22           to the taxpayer.

 24           **a refund based on the credit under section 5.8 of this chapter** shall

 27           the refund shall be paid from that fund only to the extent that the  
 28           percentage homestead credit the taxpayer was entitled to receive for a  
 29           year does not exceed the percentage credit allowed in  
 30           IC 6-1.1-20.9-2(d) for that same year. Any refund in excess of that  
 31           amount shall be paid from the county's revenue distributions received  
 32           under IC 6-3.5-6.

33           (c) The state board of accounts shall establish an appropriate  
 34           procedure to simplify and expedite the method for claiming these  
 35           refunds and for the payments thereof, as provided for in this section,  
 36           which procedure is the exclusive procedure for the processing of the  
 37           refunds. The procedure shall, however, require the filing of claims for  
 38           the refunds by not later than June 1 of the year following the payment  
 39           of the taxes to which the credit applied."

40           Page 123, between lines 21 and 22, begin a new paragraph and
